TO THE NEW STUDENT

Your immunization record may be found in your family records or in a booklet that may have been written in by your doctor or public health clinic each time you received a vaccination. Please keep in mind that immunization records are maintained for a variable number of years and then usually only by the medical provider who administered the vaccines. As a last resort, and if you are a graduating senior, school personnel may be able to locate immunization records in your cumulative or health folder before you graduate. After you graduate, records are sent to storage and may not be accessible. Shot records or reasonably authentic copies of records (a baby book or school health record) which indicate specific information such as your name, date of birth and the dates of the immunizations should be acceptable documentation of the immunizations you received. These records should be taken to your doctor or local public health clinic for a possible update of your immunization status. A visit to your doctor or public health clinic will be needed to have your Proof of Compliance form signed and/or to interpret your old records in view of the changes in health care standards.

TO THE PHYSICIAN OR OTHER MEDICAL PROVIDER

The following guidance is presented for the purpose of implementing the requirements of Louisiana R.S. 17:170 and meeting the established recommendations for control of vaccine preventable diseases as recommended by the American Academy of Pediatrics (AAP), the Advisory Committee on Immunization Practices to the United States Public Health Service (ACIP) and the American College Health Association (ACHA).

REQUIREMENTS: Two doses of measles vaccine, at least one dose each of rubella and mumps vaccine and one tetanus diphtheria booster.

MEASLES REQUIREMENT: Two doses of live vaccine given on or after first birthday, in 1968 or later, and without Immune Globulin. A second dose of measles vaccine must meet this same requirement but should not have been given within 30 days of the first dose. A history of physician diagnosed measles is acceptable for establishing immunity but should be accepted with caution unless you were the diagnosing physician.

TETANUS-DIPHTHERIA REQUIREMENT: A booster dose of vaccine given within the past ten years. Students can be considered to have completed a primary series earlier in life unless stated otherwise.

IMPORTANT NOTE: In most cases, student compliance will require a second dose of measles vaccine (preferably as MMR) and a dose of tetanus-diphtheria (TD, Adult Type). In cases where no records can be located, or especially when immunization in the past is doubtful, two doses of MMR separated by a minimum of 30 days may be indicated. Evidence of vaccination or immunity against measles, rubella, mumps, and tetanus and diphtheria can be established by either reviewing a previous written record of vaccination or administering vaccine now. Serologic testing is acceptable evidence of immunity but should not be routinely performed unless specifically requested by the patient and if testing is appropriate or available. Immunization is preferable to serologic testing because of the relative costs and time. In all instances when vaccine administration is considered, MMR (measles, mumps and rubella vaccine, live) and tetanus-diphtheria toxoid (TD, Adult Type) are the products of choice for use in adults unless a specific contraindication is present.

**FINANCIAL AID**

Financial Aid Office (318) 797-5363  
FAFSA LSUS code 002013  
[www.lsus.edu/finaid](http://www.lsus.edu/finaid)

Federal financial aid must be applied for each school year. You should start the process 90 days before the beginning of the semester for which you are applying for aid.

**Application Process:**

Complete the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) or request a form from the Financial Aid Office and return it directly to the U.S. Department of Education Central Processing Service (CPS).

Before you can be awarded any federal financial aid, you must be unconditionally accepted for admission to LSUS, and all required academic transcripts must be received by the Admissions and Records Office.

After your FAFSA has been processed by the CPS, you will receive a Student Aid Report (SAR). You should review your SAR carefully to ensure that it is accurate. If it requires correction, take the appropriate action. The Financial Aid Office must receive your electronic SAR by 

- **March 1** for summer school,  
- **June 1** for the fall or  
- **October 1** for the spring for priority consideration.

When all required materials have been received by the LSUS Financial Aid Office, your file will be reviewed and your aid will be awarded if you meet all eligibility standards. You will receive an award letter describing the financial aid awards that LSUS is offering. The financial aid process is not complete until the Financial Aid Office receives a copy of the award letter signed by you with a notation indicating whether you are accepting or declining each form of financial aid.

If your financial aid file is not complete on or before the priority deadlines listed above, you should plan to have money from other sources available to pay tuition and fees by the payment deadline because the University cannot guarantee that your aid will be ready at the beginning of the semester. Applications are processed in the order in which they are received.
FRESHMEN STUDENT ORIENTATION AND REGISTRATION (SOAR)

Student Development and Counseling Center (318) 797-5365  
www.lsus.edu/sdcc

All first-time freshmen are expected to register for classes at an orientation session called SOAR. First-time freshmen who do not attend a SOAR session are required to wait until the day before classes begin to register.

During this full-day program, students will take a tour of the campus, learn about the University policies/procedures, be exposed to the social opportunities at LSU Shreveport, and register for classes.

Prior to attending any orientation and registration program, entering freshmen must have completed the admission process and been officially admitted into the University. First-time freshmen must pre-register for the SOAR session via the Web.

Entering freshmen must submit official ACT scores before they can attend orientation and register. Entering freshmen who have not taken the ACT may take the residual ACT at LSU Shreveport. To register, contact the Student Development and Counseling Center.

Students entering in fall or spring are required to pay tuition and fees by the fee payment deadlines set by the University. Approved financial aid can be applied to tuition and fees. Financial aid will not be processed until official transcripts have been received and evaluated. Students entering in the summer term must pay tuition and fees during orientation and registration.

TRANSFER STUDENT ORIENTATION AND REGISTRATION (TSOAR)

Student Development and Counseling Center (318) 797-5365  
www.lsus.edu/sdcc

All transfer students are required to complete Virtual Transfer Orientation (VTO) via the Internet. VTO is offered specifically for transfer students to familiarize them with important information to ease their transition into LSU Shreveport. Once VTO is completed, students will be given direction for academic advising which is required for all incoming students.

The VTO website is http://www.lsus.edu/sdcc/transferorientation/index.asp. Your Social Security number will be your Student ID.

If you are attending LSU Shreveport for one term only, you are not required to complete VTO. You may contact the Dean’s office associated with your major to be advised.

Students registering for fall or spring terms are required to pay tuition and fees by the payment deadlines set by the University. Approved financial aid can be applied to tuition and fees. Financial aid will not be processed until official transcripts have been received and evaluated. Students entering in the summer term must pay tuition and fees during orientation and registration.

Transfer students must request official transcripts from every college attended. Transcripts must be received in the Admissions and Records Office before a student will be admitted. Students who are still attending classes at another campus should send a preliminary transcript from that school now and request that a final official transcript be mailed at the end of the term.

REQUIRED TESTS

1. All first-time freshmen under the age of 25 are required to take the ACT, SAT or ACT Compass Test and have their scores submitted directly to LSU Shreveport by the testing agency (ACT code 1593; SAT code 6355).

2. Transfer applicants who have completed 12 semester hours of non-developmental credit and who do not have credit for freshmen composition and college algebra are required to either take the ACT or SAT and have their scores submitted directly to LSU Shreveport (ACT code 1593; SAT code 6355), or take an LSU Shreveport departmental exam.

GENERAL INFORMATION

The University operates on a two-term (semester) plan with additional summer sessions. A qualified applicant may register at the beginning of any term. Complete admission records must be received in the Admissions and Records Office at least 30 days before registration.

Louisiana State University Shreveport assures equal opportunity for all qualified persons without regard to race, color, religion, gender, national origin, age, sexual orientation, disability, marital status, pregnancy, sickle cell trait or veterans’ status in the admission into, participation in or employment in its programs and activities.

Campus employment is available to qualified students. Generally, only full-time students are eligible for student employment, and students are advised to work less than 20 hours per week.

Budget jobs are funded by various university departments and may be secured by contacting the department head. Some budget jobs are listed on the LSU Shreveport Career Services’ website.

Off-campus employment opportunities are listed on the Career Services’ website. Employers contact LSU Shreveport to hire students for full-time, part-time, occasional and/or temporary jobs. These positions are updated daily.

The Federal Work-Study Program is a joint effort by the federal government and the University to provide jobs for students who need financial assistance to attend college. Students must state on their FAFSA that they desire a Work-Study position and have financial need. The student is notified on the award letter if Work-Study funds have been awarded. Students new to the program should contact the Financial Aid Office during the first week of classes to obtain a list of open positions. The student then contacts the Supervisor for an interview. Funding for Work-Study positions is limited and awarded to students who apply early and show financial need.
