DIRECTIVE FROM THE STATE OF LOUISIANA TRAVEL OFFICE

Corvid 19 Travel Restrictions

Effective immediately and until further notice, all international travel is prohibited. Out-of-State travel, whether by ground transportation or air, must be approved in advance by the Commissioner of Administration and will be evaluated based on business necessity. In-state travel is strongly discouraged and should be denied unless it is essential and there are no other means of conducting business. These restrictions apply to new, as well as all previously approved travel requests.

All requests for consideration by the Commissioner should be sent directly to me and I will forward as necessary.

If you have any questions regarding this matter, please advise.
