antisemitismus, feindschaft gegen juden.
a long tradition. toward the end
of the 13th century, reports of verbrennung
von juden aus wien, the burning
of jews in vienna, & stars, yellow
stars, appeared on their clothes
till 1670 when leopold I expelled
them, destroying their ghetto.
then, a phase of tolerance.

universo (command of the universe
falls to austria). aeiou. not just
the silly vowels they are in english.
aeiou. mother & her sisters in the ghetto
imagining they are distant relatives
of the jewish banker who lived crosstown
in what is now the jewish museum.
in the schaudepot display
see the twisted menorahs, the lone page
that left the others to flames.
