

How to Set Up Wireless on an Apple IOS Device (iPhone/iPad)

Basic Settings:

Network: LSUSWireless

Username: LSUS Username (student ID or username)

Password: LSUS Password (same password for Moodle and email)

1. Select *Settings*

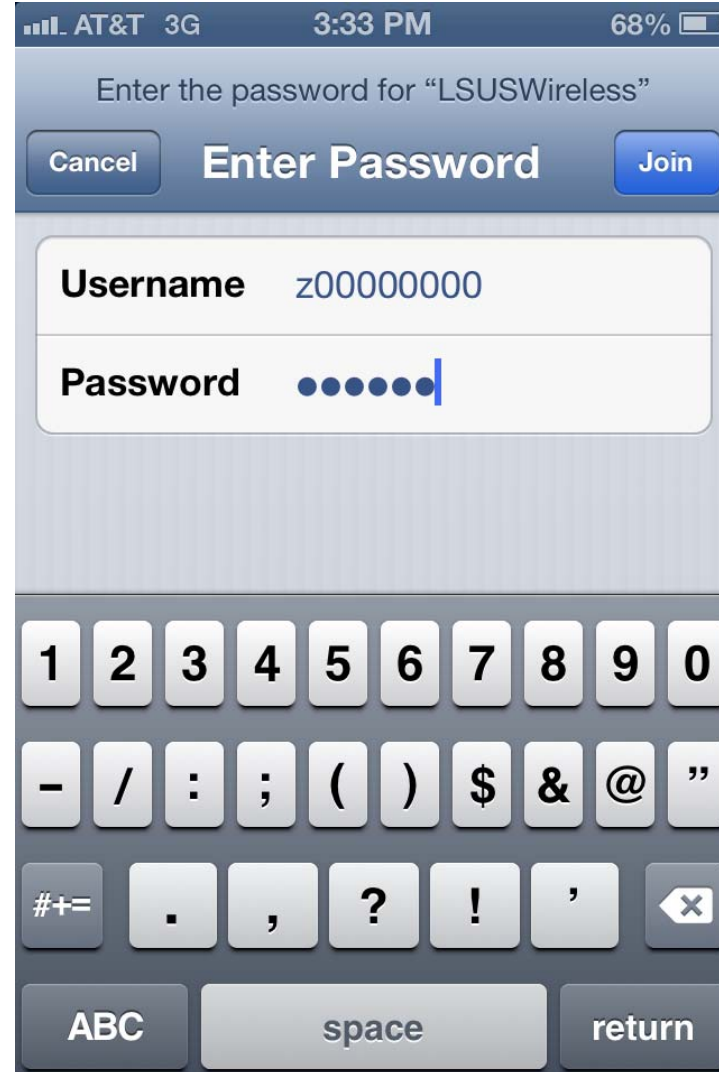

2. From the *Settings* menu, tap *Wi-Fi*.

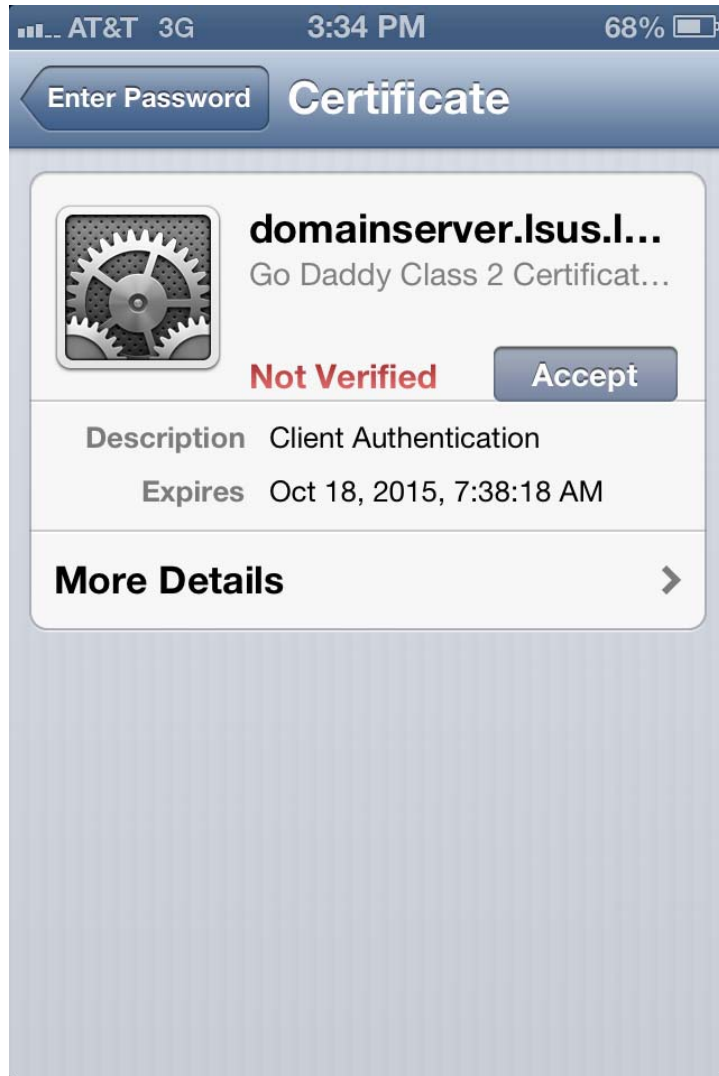

3. Select *LSUSWireless*.

4. Enter your credentials. This will be the same username and password that you use for Moodle and email.

5. Accept the wireless certificate shown below.

6. You should now see a checkmark next to LSUSWireless indicating that you are connected.
