Instructions for Completing the STEPS TO SUCCESS

1. Use the internet to find the LSUS homepage – www.lsus.edu
2. Click on CURRENT STUDENTS in the blue bar across the top of the page.
3. Under Student QuickLinks on the right hand side of this page click - myLSUS (formerly Compass).
4. Click on the CLICK HERE TO PROCEED TO myLSUS (FORMERLY COMPASS).
5. Enter your student ID and PIN and click the Logon button.
6. On the left-hand side of the page under QuickLinks click – Advising Information
7. Half-way down this page click the STEPS TO SUCCESS button

What to complete under STEPS TO SUCCESS:

1. Enter your current time restraints. Don’t forget to add some time for sleeping (avg. 8 hours per night).
2. Enter some academic goals for the semester. Examples may be to pass all classes or to achieve a 2.5 gpa.
3. Under Assess Study Skills please be honest in rating your current ability. The answers to these questions will not be seen by your professor or anyone else on campus, they will merely be used to collect data so that we know what programs to offer to help students.
4. Target Study Skills – you can enter some information here, but it is not necessary at this time. You will fill this out when you meet with your advisor later in the semester.
5. Awareness and Use of Campus Resources – you may not have used many of these campus resources yet, but answer the question honestly.
6. Involvement in Campus Life – again, you may not have gotten involved in too many campus activities yet, but you will fill this out again prior to meeting your advisor.
7. Evaluate Financial Concerns – complete this information except for the Suggestions for Addressing Financial Aid concerns.
