POLICY STATEMENT

COORDINATED BY Department of Health & Physical Education

EFFECTIVE September 1, 1983

REVISED November 12, 1985

SUBJECT Use of Health and Physical Education Building, Tennis Courts and Athletic Fields

I. PURPOSE

To establish the policy for the use of the Health and Physical Education Building and other health and physical education facilities.

II. DEFINITIONS

A. Health and physical education facilities are the Health and Physical Education Building and all outdoor health and physical education activity areas.

B. Immediate family refers to spouse and children.

C. Identification card is a valid identification card issued by Louisiana State University in Shreveport.

III. POLICY

A. The health and physical education facilities may be used by Louisiana State University in Shreveport students, faculty, staff; the immediate families of students, faculty and staff; and certain guests in accordance with the provisions set forth in this policy statement.

B. Activities in the facilities are under the supervision of the Department of Health and Physical Education. The Health and Physical Education Building Manager is responsible for the implementation of all policy relative to the scheduling and use of the facilities.
IV. DETERMINATION OF PRIORITY OF USE

A. Activities are scheduled in the facilities in the following order:

1. Regular classes of the Department of Health and Physical Education.

2. Activities of other divisions of the University, e.g., Intra-murals, Conferences and Institutes.

3. Free play which does not interfere with health and physical education classes or scheduled activities of other divisions of the University.

B. A request to preempt this order of priority must have the approval of the Dean of the College of Education in consultation with the Chairman of the Department of Health and Physical Education.

V. STUDENTS, FACULTY AND STAFF AND THEIR IMMEDIATE FAMILIES

A. Full-time and part-time students, faculty and staff may use the Health and Physical Education Building by presenting their identification card.

B. The immediate families of faculty and staff may use activity areas after 1:00 p.m. on days when the building is open by presenting their identification card. Children under sixteen years of age must be accompanied by a parent at all times.

C. Students may take their immediate families or one guest to the swimming pool after 1:00 p.m. on days when the pool is open for recreational swimming.

VI. GUESTS

A. One identification card admits the holder and one guest. The holder is responsible for his guest and must accompany him at all times while he is using the facilities. Should the guest abuse his privileges or the facilities, the card holder shall be subject to loss of guest and personal privileges.

B. Off-campus groups brought to the campus through departments on campus may petition in advance to the Building Manager for access (not exclusive) to the facilities during prescribed hours.

C. Retired faculty and staff and their immediate families may use the facilities by presenting their identification cards.
VII. RULES GOVERNING USE OF THE FACILITIES. Staff and student employees, including lifeguards, have the authority and duty to evict any person violating the rules of the facilities. Privileges of violators will be revoked.

A. Smoking, food and drink are not allowed in the activity areas of the Building. Gum is not allowed in the natatorium.

B. Appropriate gym or tennis shoes are required in the following activity areas:
   1. Dance
   2. Adaptive
   3. Gymnastics
   4. Weight training
   5. Racquetball
   6. Gymnasium floor
   7. Running track

C. Proper swimming attire is required for the pool.

D. Running in the natatorium and sun deck areas is not permitted.

E. The special rules of various areas of the facilities must be adhered to.
