POLICY STATEMENT

Coordinated By: Department of Human Resource Management

Subject: Rewards and Recognition Program for Classified Employees Certification in Field

I. PHILOSOPHY:

Under the provisions of Civil Service Rule 6.16.1, Rewards and Recognition, the LSUS Rewards and Recognition Policy acknowledges and rewards outstanding performance, professional development, and work related achievement by classified employees. By formally recognizing the accomplishments of our employees, we acknowledge the individual’s value and contribution to their department and to LSUS as a whole.

II. POLICY:

It is the policy of LSUS to maintain a program of rewards and recognition for employees who achieve a certification in their field, which would not ordinarily be required or expected. The reward shall be a one-time monetary award, not to exceed a total of 10% of the employee’s base salary within a fiscal year. Monetary rewards are not considered base pay and will not be reported to the retirement system. All rewards shall be dependent upon availability of funding. Should funding be unavailable in a fiscal year, the employee’s nomination may be submitted in following fiscal years.

No employee shall receive a reward under this policy during any Performance Planning and Review (PPR) rating period in which that employee has an overall rating, which is less than “Meets Requirements”. If the employee receives a “Meets Requirements” or above rating in a subsequent period, he/she will be eligible to be considered for a reward under this policy. An employee who is “Un-rated” shall be considered to have a “Meets Requirements” rating for the purpose of this policy.

Nominations for rewards will be made by the employee’s immediate supervisor and follow the procedure listed below.
III. CRITERIA FOR NOMINATIONS FOR EDUCATION/TRAINING AND CERTIFICATES:

Rewards not to exceed 10% of the employee’s base salary may be made for various certifications that meet the following criteria:

- The certification is recognized nationally and testing is required
- It must be directly related to the employee’s job or job series
- The training is not a part of the Minimum Qualification Requirements for the job or job series
- It cannot be post-secondary higher education, e.g., college hours and/or degrees and courses at secretarial or technical colleges (formerly called vocational-technical schools).

This type of reward may be given only once to an employee per certification.

Rewards for certification may be made for past, as well as future attainment of certifications. The certifications must have been obtained while being employed by LSUS. Employees nominated to receive rewards for certification must not have been previously compensated for that certification under any other Civil Service pay rule, e.g. extraordinary qualifications.

Supervisors wishing to nominate employees should submit the following documents as part of the nomination package.

1. A completed Certification application (Appendix A of this policy)
2. A completed PER-1 form
3. Any required attachments/documentation.

IV. PROCEDURE:

Nominations for rewards must be approved by and submitted by the employee’s supervisor and/or Dean/Director, approved by their Vice Chancellor and forwarded to the Chancellor (Campus Head and Appointing Authority) for approval along with a recommended amount of the reward. The Director of Human Resource Management will verify that the candidate for the award meets the criteria of this policy. Initially, the supervisor making the nomination should review the available budget for his/her department to determine if funding is available for the reward.

V. APPLICABILITY:

This policy shall be applicable to classified employees at LSUS. Unclassified employees and faculty shall be compensated through normal compensation procedures.
VI. RESPONSIBILITY:

The Office of Human Resource Management shall compile an annual report of all rewards and recognition and supply it to all department heads for posting. This policy shall remain posted on the LSUS website for all employees.

Each employee’s supervisor shall be responsible for the nomination and processing of Reward and Recognition for their employees. The Office of Human Resource Management will not compile nor make recommendations of any reward or recognition outside the HRM employees.

The supervisor shall review the employee’s most recent PPR document and ensure the employee has an appropriate rating prior to recommending reward or recognition.

VII. QUESTIONS:

Questions regarding this policy should be directed to the Office of Human Resource Management.
