First-Time Freshmen Age 25 and Older

A first-time freshman who is 25 years of age or older is not required to meet the Board of Regents' minimum admission criteria for first-time freshmen. However he or she must have a need for no more than one remedial course. This is determined by ACT, SAT, COMPASS or placement tests. Students must have high school transcripts sent to the Admissions and Records Office.

Admission by Transfer

Regardless of age, students who have earned at least 18 term hours of college credit in non-developmental coursework may transfer to LSU Shreveport if they meet all transfer requirements.

Students wishing to transfer to LSUS must meet the following admission requirements:

- Have earned at least 18 college-level academic hours;
- Be eligible to return to the institution from which they transfer;
- Have earned at least a 2.0 GPA on all college-level work attempted; and
- Have completed a college-level English and a college-level Math course designed to fulfill general education requirements.

Students who have earned less than 18 college-level academic hours must meet the following admission requirements:

- Have earned at least a 2.0 GPA on all college-level work attempted;
- Meet freshman admission standards.

Transfer applicants who have been suspended from another college or university are not eligible for admission to LSUS until the suspension has expired.

Credits earned in colleges and universities accredited by regional accrediting associations are accepted by the university. Credits earned in some non-accredited institutions are accepted on a limited basis. The dean of the college offering the degree determines the extent to which accepted credits are applied toward a degree. Evaluations of courses will not be made in advance of receipt of the completed application and official transcripts from each college and university attended. Not more than one-half the credits required for a degree may be accepted from a two-year college (except one within the LSU System) unless specifically authorized by the student's dean. Courses taken at the freshman and sophomore levels at two-year colleges (100 and 200 level courses) may not be counted for transfer credit in upper-level courses (courses numbered 300 or above).

Information regarding articulation agreements between LSUS and area colleges is available in the Master Course Articulation Matrix under Data & Publications on the Board of Regents website: www.regents.state.la.us/.
Additional Admission Information

An undergraduate or graduate application for admission to the university should be filed with the Admissions and Records Office for the semester for which admission is desired. A $10 application fee ($20 for international students) is required for all students who have never attended LSU Shreveport. Apply online at www.lsus.edu. For more information about the admission process, please call (318) 797-5061, or visit the Admissions and Records Office in the Administration Building, room 168, or online at www.lsus.edu/admissions.

Re-Entry Admission

- Re-entry students must submit an application for admission, but an application fee will not be charged.

- A student who has registered at another college or university since enrollment at LSUS must request that the institution submit official transcripts directly to the LSUS Admissions and Records Office, regardless of whether credit was earned.

- Failure to submit transcripts by the end of the first semester enrolled will prevent registration for future semesters.

Provisional Admission

- Upon approval of the Admissions and Records Office an applicant who does not have complete admission documents on file at the time of registration may be granted provisional admission pending receipt of complete and satisfactory records.

- Upon the receipt of all the required records of a provisionally admitted student, the admissibility of the student will be determined, and the registration of a student who does not meet the admission requirements will be cancelled. A student admitted provisionally whose required records are not received within the first semester will be unable to register for future semesters.

- A student without complete records is not eligible for financial aid or veteran’s benefits. No official or unofficial records of a student's enrollment while at LSUS will be released until all records are received.

International Admission

- International students should contact the Admissions and Records Office for specific admission requirements.

- Students must submit all required information 90 days prior to registration.

- For evaluation of records, one of the following approved providers must be used:
  - World Education Services (www.wes.org)
  - AACRAO (http://ies.aacrao.org)
  - Educational Credential Evaluators (www.ece.org)
  - Global Credential Evaluators (www.gcevaluators.com)

Admission Exceptions

Students who do not meet the admissions criteria listed above may be considered for a limited number of admission exceptions. The Admissions and Records Office will notify students who qualify for these exceptions.

Non-Developmental Courses

Developmental courses are courses that are remedial, such as ENGL 005 or MATH 007. These courses help prepare students for college-level work, but do not count toward credits needed to earn a degree. Non-developmental courses are college level courses that count toward completion of degree requirements.

Educational Enrichment Program (EEP)

EEP, an undergraduate non-degree program, admits students without requiring records of their previous academic work provided the student is at least 25 years of age and at least three years have lapsed since their last enrollment in either a high school, college, or university. The student is limited to 9 hours during a fall or spring semester and 6 hours during a summer term. A student enrolling under EEP is not eligible for financial aid.

Selective Service

All male students entering LSUS who are between the ages of 18 and 26 must be able to show proof of registration for Selective Service prior to registering for classes. Proof of registration for financial aid recipients is met through completion of the FAFSA form and confirmation of registration.

Immunization Policy

Louisiana law requires that all students born after 1956 and entering or re-entering a university must provide proof of initial and booster measles, mumps, rubella (MMR), and tetanus/diphtheria immunizations, or a medical/personal exemption before being allowed to register for classes. The tetanus/diphtheria immunization must be within the last 10 years. A meningitis shot is required for all first-time freshmen.

For date and time information, go to www.lsus.edu/freshmanorientation.

Tuition and fees are due by the Fee Payment Deadline (See Important Dates on page 1.). Students who are awarded financial aid may use their financial aid to pay their tuition and fees (See Applying Financial Aid and Paying Tuition and Fees on page 13.). - Students should ensure that the prerequisite courses have been completed for each class. Corequisite courses, most often found in foreign language and science courses, should be checked.
- Audit and special permission courses require approval of the chair of the department in which the course is offered or the approval of the appropriate dean. Students who plan to attend another college or university while registered at LSUS must have prior written approval from their dean.

- **Currently Enrolled and Re-entry Students** will register using myLSUS during the dates printed on page 1.
- **Entering Freshmen** will register during the freshman orientation session on one of the dates scheduled. Students who are not able to attend one of these sessions may register during open registration, which is the Friday prior to the beginning of classes, thus limiting their selection of required classes.
- **Entering Transfer Students** will be directed to academic advising resources once admitted. Students must be advised prior to registering via myLSUS.

**Auditing Classes**

- Students who do not wish to enroll in courses for credit may audit the courses.
- Audited courses are assigned a grade of X or W and appear on student transcripts.
- Students who choose to audit classes are required to pay full tuition and resident fees and are responsible for confirming their audit status with the Admissions and Records Office.
- Auditing a course does not prevent students from later taking it for credit; however, they may not take departmental credit examinations in courses previously audited.
- Students may audit courses by contacting their academic college.
- Students who wish to switch from credit to audit (or from audit to credit) must contact their academic college. Deadlines for both processes are posted on p.1.
- See page 37 of the 2012-13 catalog for additional information regarding audit courses.

**Helpful Hints**

- A financial aid recipient who wants to drop below the minimum credit hours required for the type of aid received should contact the Financial Aid Office, AD 202, prior to dropping the course.
- A student who has **paid tuition and fees** and is attempting to drop his or her last class must resign from the university. **Students can resign by dropping all classes on the web and completing the web resignation survey.**
- The university will assign a student ID number to you. You will be responsible for memorizing your student ID number, as it will be the number requested by Accounting Services, Admissions and Records, and other offices when seeking information or assistance.
Web Registration Instructions

Every student will use myLSUS to register for classes regardless of when he or she registers. myLSUS allows you to see your record as you input classes and to print a copy of your schedule. You may access myLSUS from any computer with Internet access. Currently enrolled students can use any LSU Shreveport computer lab. Re-entry students can use the computers in the Noel Memorial Library, the University Center, and the Admissions and Records Office (AD 168).

Searching for Open Classes
1. Go to the LSUS homepage at www.lsus.edu. Click Class Schedule under the heading “Quick Links.”

2. Go to the LSUS homepage at www.lsus.edu. Click myLSUS under the heading “Quick Links.”
3. Select “Click Here to Proceed to myLSUS.”
4. Enter your Student ID and PIN. Click “logon.”

8. Click “Save Cart.” The red ‘A’ should disappear.
9. If you wish to drop any courses, click the class title, after the red ‘D’ appears, click “Save Cart.” In order for your registration to be official, your schedule must be accepted by the system without error. Viewing Grades
Grades are not mailed to students. Students must view and print grades online. Grades will be available via the web on the Saturday after grades are due.
1. Go to the LSUS homepage at www.lsus.edu. Click myLSUS under the heading “Quick Links.”
2. Select “Click Here to Proceed to myLSUS.”
3. Enter your Student ID and PIN. Click “logon.”
4. Place cursor over “Records.”
5. Select “Display Grades.”
6. Select term from drop down menu; then click “Select term.” Grades will appear.
7. When finished, click “Logoff.”
8. Sign off completely by closing the browser.
• Class schedules will be canceled for students who have NOT authorized payment (credit card or financial aid) via the web or submitted a check or money order to the Department of Accounting Services by the deadline listed on page 1. Students can utilize the following options to make payment for tuition and fees:

If receiving financial aid, accept and apply financial aid on the web. Some fees are not covered by aid; therefore, any fees not paid will be charged to the student (See “Applying Financial Aid and Paying Tuition and Fees” below.).

If paying by credit card (Visa, MasterCard, American Express and Discover), a payment can be processed via the web or at the Department of Accounting Services’ cashier’s office, Administration 129.

If paying by check or money order, make payable to LSU Shreveport, mail with the “Fee Payment by Mail” page from www.lsus.edu/myLSUS to LSUS Accounting Services. Please include your student ID number on the check. A $25 service charge will be assessed on all returned checks. Checks will not be accepted from anyone who has previously paid LSUS with a bad check. Stopping payment on a check or allowing a check to be returned unpaid by the bank for any reason is not an official resignation. Giving a check to LSUS from a closed account is considered theft and will result in a warrant for your arrest being requested from the DA’s office.

If paying by cash, pay at the Department of Accounting Services’ cashier’s office.

• Once a payment for tuition has been accepted by the university, a student is considered officially enrolled unless the student is otherwise restricted from enrolling. Failure to follow procedures for resigning from the university may result in financial and academic penalties and delays with future enrollment in the university.

• Students may defer up to one-half of their fees during spring and fall terms. One-half of the student's fees plus a $20 non-refundable, non-deferrable fee is due at registration. The balance of the fees will be due on October 15 for fall and March 1 for spring. A late fee of $25 will be assessed for late payment. Deferred payment is not available for summer terms. Call the Department of Accounting Services at (318) 797-5074 for more information.

Refund Policies for Tuition and Fees

Refund Policy For All Students Who Drop Courses

A refund of tuition and fees is based upon the total tuition amount billed, not portions of deferred fees paid.

In order to receive a refund, the student must officially resign during the refund period; the student’s classes must be canceled by the university; or the student must reduce the number of hours carried.

Refunds are made based on the following schedule:

- **100%** of refundable fees before classes begin and during the first 5 official class days of the fall/spring terms; on the 1st official class day of the 4 week summer session; and during the first 3 official class days of the 8 week summer session

- **60%** of refundable fees during the 6th through 10th official class days of the fall/spring terms; on the 2nd official class day of the 4 week summer session; and during the 4th through 6th official class days of the 8 week summer session

- **40%** of refundable fees during the 11th through 18th official class days of the fall/spring terms; during the 3rd and 4th official class days of the 4 week summer session; and during the 7th through 9th official class days of the 8 week summer session

NO refunds will be made until the refund period has expired. Refunds will be issued 45 days after the first day of classes in fall/spring terms.

NO refund is made to a student who owes the university money.

Refund Policy For Students With Title IV Student Financial Aid Who Resign From The University

Students receiving federal grants or loan funds who withdraw from LSU Shreveport before 60% of the semester has lapsed are fully responsible for repaying those funds to the United States Department of Education (DOE) and/or LSUS.

LSU Shreveport’s refund policy is used to calculate the refund of institutional charges; however, the federal “Return of Title IV Funds” formula dictates the amount of Federal Title IV aid that must be returned to the federal government by the student and the university if the student resigns.

For determining the percentage of Title IV aid to be returned to the DOE, the number of calendar days remaining in the semester is divided by the number of calendar days in the semester. Scheduled class breaks of five consecutive days are excluded.

If funds remain after Title IV funds have been repaid, they will be used proportionally to repay LSUS scholarships and grants, other private scholarships, and the student.

If a student receives grant or loan funds in excess of tuition and fees and he or she resigns before 60% of the semester has lapsed, the student is responsible for paying DOE the unearned portion of the grant or loan.

LSU Shreveport is responsible for paying DOE the unearned portion that was applied toward tuition and fees.

Worksheets used to determine the amount of the refund of Title IV aid are available upon request from the Financial Aid Office.

If a student earns all “F” or “NC” grades at the end of a semester and the student’s teachers report that the student did not attend class past 60% of the semester, that student has “unofficially” withdrawn from the university and is subjected to a Title IV refund. 50% is used in calculating the “unearned” portion of the financial aid that the student has received.
Applying for Financial Aid: (Financial Aid includes grants, work study and student loans.)

- Apply for a personal identification number (PIN) at www.pin.ed.gov. If you are a dependent student, you will need to obtain a PIN for your parent(s) as well. The PIN will be used to sign your Free Application for Federal Student Aid (FAFSA) electronically.

- Complete the FAFSA on the web at http://www.fafsa.gov. LSU Shreveport’s school code is 002013.

- After the FAFSA has been processed by the Department of Education, you will receive a Student Aid Report (SAR). Your SAR will be emailed to you, if you provided an email address. If you did not provide an email address, you must check the FAFSA website to review your SAR. Your SAR is used to determine your eligibility for financial aid.

- If your SAR is selected for verification, additional documents will be required. To obtain a tax transcript from the Internal Revenue Service, call 1-800-829-1040. Documents for verification can include signed copies of tax transcripts for both parent(s) and student, verification worksheets, 1098, 1099SA and any other documents containing untaxed income records to compare the information on the FAFSA with that of the documents. Verification must be completed before you can be awarded financial aid.

- If you are applying for a student loan for the first time at LSUS, you will be required to complete a master promissory note. Promissory notes can be completed online at www.studentloans.gov or are available in the Financial Aid Office. If you are borrowing student loan funds at LSUS for the first time, you will need to complete entrance counseling. Entrance counseling can be done on-line at www.studentloans.gov.

Financial Aid Requirements

- Students must be fully accepted for admission to the university. All academic transcripts must be on file and evaluated in the Office of Admissions and Records before aid can be awarded. Provisionally admitted or visiting students cannot receive financial aid.

- Applicants must be seeking a degree or teacher certification.

- Loan applicants must be enrolled in at least six credit hours at LSUS each semester. Graduate students must be enrolled in six graduate level credit hours at LSUS each semester to receive loans at graduate levels.

- Students cannot receive federal financial aid for correspondence courses.

Financial Aid Information

Processing Deadlines

Student must have a complete file in the Financial Aid Office by:
- March 1, 2013 for Summer 2013
- June 1, 2013 for Fall 2013
- October 1, 2013 for Spring 2014

A complete file contains:
- Student Aid Report (results of the Free Application for Federal Student Aid)
- Student Data Form/Summer Data Form
- Loan Application (if applying for student loans)
- Loan Counseling (if applying for student loans)
- Verification process completed
- Unconditional acceptance for admission to the university

Please remember:
- Summer 2013 financial aid awards are based on the 2012-2013 FAFSA and Fall 2013/Spring 2014/Summer 2014 financial aid awards are based on the 2013-2014 FAFSA.
- You will receive an award letter stating the types of financial aid offered. On one copy of the award letter accept or decline each type of financial aid offered then sign, date, and return. The second copy is for your records.
- You can view your awards on myLSUS (www.lsus.edu/myLSUS).
- Apply early. Financial Aid applications are processed in the order in which they are received. The awarding process is lengthy, and limited funds are awarded to early applicants.
- Read your entire Student Aid Report (SAR). If you have been selected for verification, your SAR will tell you.
- Check the website frequently, because instructions and announcements are posted periodically.
- Read and do research. Publications prepared by various agencies will provide you with additional information on state and federal financial aid programs.
- Be proactive. The Financial Aid Office will send you a letter about what documents or actions are required on your part to complete your file, but the ultimate responsibility is yours. Call or come by the office if you have any questions or concerns.
- Financial Aid is an annual process.
Applying Financial Aid to your tuition and fees:

Your aid is posted to myLSUS as soon as it is awarded. You must follow the directions on myLSUS to electronically approve the use of your financial aid to pay your tuition and fees. To electronically approve on myLSUS, use the following steps:

1. Go to the LSU Shreveport homepage at www.lsus.edu. Click “myLSUS” under the heading “Quick Links.”
2. Log in to myLSUS.
4. Change “No” to “Yes” for the semester you are accepting.
5. Click “Save Changes.”
6. Place cursor over “Registration.”
7. Click “My Schedule.”
8. Select correct semester.
9. Scroll down to view tuition and fees and amount of financial aid applied and if you have an outstanding balance.
10. If you have a balance, please follow the Paying Tuition and Fees steps on page 13.

Failure to give your approval to apply your financial aid to your tuition and fees by the fee payment deadline will result in your classes being cancelled. The approval system cannot be accessed until three weeks before the fee payment deadline for each semester. If you owe a balance after your financial aid has been applied to your tuition and fees, you will be issued a refund check by Accounting Services. If you register for classes after the fee payment deadline, you must go on myLSUS and give your approval as outlined above.

Types of financial aid awards:

Scholarships — These are awards which are given to students in recognition of academic achievement. These awards do not have to be repaid and selection and retention criteria vary.

Federal Pell Grant — This award does not have to be repaid. Eligibility for this award is determined by the U.S. Department of Education. The Pell Grant can only be awarded to undergraduate students who have not earned a bachelor’s degree.

TEACH — A Teacher Education Assistance for College and Higher Education Grant is available to students willing to make a commitment to teach in certain subject areas and in schools serving low-income students. The student must agree to teach four years within eight years of graduation. This award is available to both undergraduate and graduate students with a 3.25 grade point average. Juniors and seniors must be accepted into the Teacher Education and Retention Program; graduate students must possess teaching credentials. Students enrolled in Teach LSUS are not eligible. Failure to complete the service obligation will result in the grant converting to a loan that must be paid back with accrued interest.

Student Loans — A Federal Direct Subsidized Stafford Loan is awarded on the basis of financial need. The federal government pays interest on the loan while you are enrolled as at least a part-time student. A Federal Direct Unsubsidized Stafford loan is not awarded on the basis of financial need. You are charged interest from the time the loan is disbursed until it is paid in full. You can (if you are eligible) receive both loans for the same enrollment period.

FSEOG — A Federal Supplemental Educational Opportunity Grant is offered to undergraduates with exceptional financial need. Priority is given to independent students with dependents who receive the maximum Federal Pell Grant.

Work Study — The Federal Work Study Program provides jobs for students who have unmet financial need.

TOPS — Louisiana’s Taylor Opportunity Program for Students (TOPS) is a comprehensive program of state merit scholarships. The TOPS award has three award components with different selection and retention requirements: TOPS Opportunity Award, TOPS Performance Award and TOPS Honors Award. Students who are receiving a TOPS award are notified by the Louisiana Office of Student Financial Assistance (LOSFA). It is not necessary to contact the Financial Aid Office about a TOPS award because LSU Shreveport downloads a listing of recipients directly from LOSFA before the beginning of the fall semester and gives students advanced credit. Awards are posted to myLSUS about three weeks before the beginning of the fall semester. You must give your approval on myLSUS to apply a TOPS award to tuition and fees as outlined above. Be aware that TOPS awards do not cover all of the tuition and fees at LSUS.

State of Louisiana Go Grants — Offered to students who receive a Pell Grant and graduated from high school after January 2007 or are age 25 or older. Award amounts vary from $500 to $2000. Awards are available for less than full-time attendance.

The Spring 2013 class schedule is available online at www.lsus.edu/myLSUS.

The courses to be offered during the Spring 2013 semester are not distributed in print. The courses are published on the web to ensure accuracy. The online schedule is updated as course changes are made.

The online schedule is searchable. It provides the ability to view only open classes and lists the number of seats available in each section. The online schedule allows students to search for classes by time, day, course ID, department, and format (online, telecourse, blackboard, etc.). The online schedule is 'live,' so if a change is made in the schedule, the change will be reflected immediately in the online schedule.

The final authority for course listings rests with the departments concerned. All questions should be directed to the department in which the course is offered.

Please DO NOT PRINT the entire class schedule from the website. The schedule is constantly changing as classes fill and departments make alterations. Take advantage of the built in search capabilities and the live nature of myLSUS to find open classes when you need them.

Access to & Release of Student Information

Policies and procedures relating to student information ensure each student access to his or her educational records maintained by the university and prohibits the release of personally identifiable information from these records without the student's permission except as specified by law. The information in the educational record may be challenged by the student as inaccurate, misleading or in violation of privacy, and a written explanation by the student of the contents may be provided for insertion in the record. The officials responsible for student records are as follows:

Dean of Students ---Disciplinary Records
Registrar---Academic Records
Director of Financial Aid---Financial Aid Records

A student who has been enrolled on more than one campus of the LSU System must request records from the appropriate office on each campus. If copies of records are desired, the student is required to pay the cost for these copies. The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

- The right to inspect and review education records within 45 days of the day the university receives a request for access. To examine records, the student should submit to the Registrar (AD 168) a written request that identifies the record(s) he/she wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, he/she will advise the student of the correct person to whom the request should be addressed.

- The right to request the amendment of the education records that are believed to be inaccurate or misleading. A student may ask the university to amend a record that is believed to be inaccurate or misleading. The student should write the Registrar, clearly identifying the part of the record he/she wants changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedure will be provided to the student when notified of the right to a hearing.

- The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university/LSU System in an administrative, supervisory, academic, research or support staff position (including law enforcement unit personnel and counseling staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Supervisors; or a student serving on an official committee, such as a disciplinary or grievance committee, graduate students serving as instructors and students who are assisting a school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university discloses education records without consent to officials of another school in which students seek or intend to enroll; public officials as specified by law; agencies and offices administering financial aid for records required in connection with a student's application for or receipt of financial aid; organizations for use in developing, validating, or administering student aid programs and improving instruction; accrediting agencies; and appropriate persons in the case of health and safety emergencies. The university may release education records without consent to courts of law in response to court orders or subpoenas. When responding to a court order or subpoena, a reasonable effort in advance of compliance will be made to notify the student of all such orders or subpoenas.

To allow any person, other than those specified, access to a student's educational records, the student must submit a written, dated and signed waiver to the official responsible for the records. The waiver must specify the records to be released, the reasons for such release and the names of the persons to whom records should be released.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, DC 20202-4605.

- At its discretion, the university may provide directory information to the public in accordance with the provision of FERPA, as amended, to include: the student's name, mailing and e-mail address, telephone listing, date and place of birth, photographs, dates of enrollment, enrollment status (e.g., full-time or part-time), major field of study, classification, major degree(s) earned, awards and honors, participation in officially recognized activities and sports, weight and height of members of athletic teams and the most recent previous educational agency or institution attended by the student.

- The student may have any or all of the directory information withheld by completing the directory exclusion form in the Admissions and Records Office at the time of registration for each semester or term.
University regulations and usual operating procedures determine such things as a student's admissibility to the university, readmission after scholastic suspension, probation or warning status, evaluation of credits earned in other institutions, and completion of degree requirements. It is the function of the academic department to determine whether a given course at another institution is comparable to a course at LSU Shreveport; it is the function of the dean of the college in which the student is enrolled to determine how credits accepted at LSUS from another institution are to be applied towards graduation; and it is the function of the proper administrators, by interpreting established policies, to determine in a given instance whether a student is admissible or re-admissible to the university. Only when a student believes that he or she has not been properly or fairly treated in one of these matters or that an error of interpretation has been made, should a student initiate an appeal on one of these matters.

• Admission, Readmission, and Transfer Credits:
Each appeal must be made in writing to the student's academic dean. The appeal should contain new information or explanations of previous information which could result in a new decision. Upon receiving a written appeal, the dean will meet with the student in an effort to explain university regulations. If the student then accepts the interpretation, the matter goes no further. If the student wishes to appeal the matter further, the dean sends a copy of the student's appeal and the report of the meeting with the student, an analysis of the circumstances, and a recommendation to the Admissions and Standards Committee. In executive session, the committee will reach a decision on a recommendation and will send that recommendation to the dean for final action, subject to the right of the Chancellor to review the case.

• Credits and Degree Requirements:
If the matter involves credit or other matters necessary for graduation, the case must be appealed to the student's academic dean no later than the term prior to the term at the end of which the student desires to graduate. The student cannot be assured that cases arising during the term of the student's intended commencement will be resolved in time to allow the student to participate in the commencement at the end of the term. Upon receiving a written appeal, the dean will meet with the student in an effort to explain relevant university regulations. If the student then accepts the interpretation, the matter goes no further. If the student wishes to appeal the matter further, the dean sends a copy of the student's appeal (and the report of the meeting with the student), an analysis of the circumstances and a recommendation to the Admissions and Standards Committee which will meet with the student if the student so desires. In executive session, the committee will reach a decision on a recommendation and will send that recommendation to the Vice Chancellor for Academic Affairs for final action, subject to the right of the Chancellor to review the case.
