

Visiting Instructors of Business Appointment Time Period (Spring 2018)

The AACSB accredited School of Business at Louisiana State University in Shreveport seeks applications for visiting positions. These are approved positions with dedicated funding that will report to the Department Chair of Management & Marketing. Areas of greatest need include Strategy and Technology/Information Systems. These positions have been created to support the exceptional growth in the School of Business.

Requirements:

Applicants should be ABD or have a terminal degree in a business discipline or closely related area from an accredited institution, with preference for a degree from an institution with an AACSB accredited program. Preference will be given to qualified applicants who can teach Strategy and/or Management Information Systems plus a course in a needed area such as Accounting Information Systems, Entrepreneurship, International Business, Operations Management, etc. Preference will also be given to individuals who possess a professional or technical certification, such as CPA, CFE, PMP etc. The selected applicants will be expected to teach at both the graduate and undergraduate levels. Online teaching is expected. Remote candidates willing to teach their course load fully online will be considered.

Interested applicants should electronically submit a vita, cover letter, and a list of contact information for at least three references to Dr. Tami Knotts at Tami.Knotts@lsus.edu. Review of complete applications will begin immediately and continue until the positions are filled. LSUS is an Affirmative Action and Equal Opportunity Employer.

About LSUS:

In addition to a collegial faculty, our University boasts a high percentages of faculty with terminal degrees. The LSUS School of Business currently enrolls approximately 400 undergraduate students pursuing majors in accounting, finance, general business, management, and marketing. Our graduate enrollment currently exceeds 2000 students in our accelerated online MBA program and our online Master of Health Administration.
