

ELEMENTARY EDUCATION

NOTE: New Elementary Education curriculum requirements are in the process of being adopted. It is anticipated that beginning in year 2003, students will be required to complete the new degree requirements. Please contact the Department of Education for the most current information

The student majoring in elementary education may pursue the general elementary education curriculum for grades 1-8 or the elementary special education curriculum. The student wishing to teach fine arts in elementary schools should see the appropriate curriculum under "*Elementary and Secondary Education.*"
