

SECONDARY EDUCATION--ADDITIONAL CERTIFICATION ENDORSEMENTS

The following list represents additional endorsements for supplementing a major in secondary education. These courses will lead to additional certification.

NOTE: Programs once redesigned will require a second teaching area. The student should refer to the new curriculum when it becomes available for semester hour requirements and courses required. Please contact the Department of Education for the most current information

Endorsement Area	Semester Hrs	Courses
Biology Education	20	BIOS 222, 222L, 224, 224L, 320, 320L, electives 224-level+
Chemistry Education	20	CHEM 121, 121L, 112, 112L, 124, 124L, 255, 255L, electives 255-level+
Computer Literacy	9	CSC 111, ED 202, CSC 112
Computer Science	18	CSC 111, ED 202, CSC electives (12 hrs)
