

LSUS BACHELOR OF SCIENCE IN COMMUNITY HEALTH

Total: 128 Semester Hours

Name _____

Student Number _____

UPDATED: Date _____
 Initials _____

	Course Number	Credit Hours	Grade
Health Education Process Core (29 hours)			
Introduction	KHS 226	(3)	_____
Environmental Health	KHS 310	(3)	_____
Worksite Health Promotion	KHS 338	(3)	_____
Epidemiology	KHS 405	(3)	_____
Program Planning & Evaluation	KHS 410	(3)	_____
Theories & Methods of Community Health	KHS 334	(3)	_____
Physiology of Exercise	KHS 425	(4)	_____
Practicum	KHS 462	(6)	_____
Seminar	KHS 491	(1)	_____
Health Content Core (16 hours)			
First Aid**	KHS 215	(1)	_____
Personal Health**	KHS 281	(3)	_____
Drug Education	KHS 315	(3)	_____
Human Nutrition	KHS 235	(3)	_____
Health Aspects of Aging	KHS 312	(3)	_____
Consumer Health**	KHS 311	(3)	_____
Special Topics Other (e.g., Pathophysiology, Mental Health)	KHS 490	(3-6)	_____
**Required Courses in this Core			
Physical Education Service and Fitness Courses (4 hours)			
Jogging and Walking for Fitness	HPE 100	(1)	_____
Weight Training	HPE 128	(1)	_____
Physical Fitness and Wellness	HPE 143	(2)	_____
Communications (12 hours)			
English Composition	ENGL 105	(3)	_____
English Composition	ENGL 115	(3)	_____
Public Speaking	COMM 135	(3)	_____
Medical Terminology	KHS 201	(3)	_____
Social and Behavioral Sciences (15 hours)			
Introductory Statistics	PSYC 216	(3)	_____
Behavior Modification	PSYC 455	(3)	_____
Intro to Psychology	PSYC 152	(3)	_____
Six credit hours of electives	_____	(3)	_____
(See Catalog, General Education Course Requirements)	_____	(3)	_____
Sciences and Mathematics (22 hours)			
General Principals of Biology	BIOS 120	(3)	_____
General Principals of Biology Lab	BIOS 120L	(1)	_____
Human Physiology	BIOS 280	(3)	_____
Human Anatomy	BIOS 282	(3)	_____
Chemistry	CHEM 121	(3)	_____
Physical Science or (PHYS 251,251L for PrePT)	_____	(3)	_____
Algebra	MATH 121	(3)	_____
Math ≥ 122	MATH	(3)	_____

Course Credit

	Number	Hours	Grade
Humanities and Fine Arts (12 hours)			
English 205, 210, 215, or 220	ENGL ____	(3)	_____
History 105, 106, 145, or 146	HIST ____	(3)	_____
English, foreign language, philosophy, religion, humanities (Catalog, General Education Requirements)	____ ____	(3)	_____
Dance, drama, fine arts, music (Catalog, General Education Requirements)	____ ____	(3)	_____

NOTE: *Computer literacy and research analysis will be covered by systematic integration with content of several discrete courses (KHS 405, 410, 425)*

Elective Concentration: *(18 hrs. from one of the following 4 concentrations)*

Areas of Concentration

Concentration I: American Humanities Certification (18 Hours)

Principles of Accounting	ACCT 205	(3)	_____
Behavioral Management of Organizations (MADM 301) or Introduction to Public Administration (POLI 201) or Social Organization (SOCL 302)	____ ____	(3)	_____
Practicum in Not-for-Profit Organizations	POLI 392	(1)	_____
Principles of Marketing	MKT 301	(3)	_____
Seminar for Not-for-Profit Organizations	POLI 492	(3)	_____
American Humanities Training Institute	POLI 493	(1)	_____
Other Approved Electives	____ ____	(1-3)	_____

OR

Concentration II: Health Behavior (Select 18 hours from:)

Psychology of Addiction	PSYC 426	(3)	_____
Special Topics	KHS 490	(3)	_____
Health Strategies in Teaching	KHS 333	(3)	_____
Ethics, Values, and Leadership	LDSH 405	(3)	_____
Medical Sociology	SOCL 375	(3)	_____
Environmental Science Elective	ENSC ____	(3)	_____
Introduction to Health Psychology	PSYC 450	(3)	_____
Other Approved Electives	____ ____	(1-3)	_____

OR

Concentration III: Physical Activity (Select 18 hours from:)

Clinical Exercise Physiology	KHS 460	(3)	_____
Intermediate Resistance Training	KHS 327	(3)	_____
Health and Fitness Management	KHS 308	(3)	_____
Biomechanics	KHS 325	(3)	_____
Motor Learning/Development	KHS 340	(3)	_____
Tests and Measurements	KHS 323	(3)	_____
Exercise & Gerontology	KHS 313	(3)	_____
Psychology of Exercise & Sport	KHS 390	(3)	_____
Prevention & Treatment of Athletic Injuries	KHS 440	(3)	_____
Other Activities	HPE ____	(1-3)	_____

Concentration IV: PrePhysical Therapy /Occupational Therapy

Biomechanics	KHS 325	(3)	_____
Prevention & Treatment of Athletic Injuries	KHS 440	(3)	_____
Clinical Exercise Physiology	KHS 460	(3)	_____

Then 9 hours from (All must be met to fulfill Pre-PT requirement from LSU School of Allied Health):

General Zoology	BIOS 222	(3)	_____
General Zoology Laboratory	BIOS 222L	(1)	_____
BIOS 300+ or 400+ elective	BIOS ____	(3)	_____
General Physics *	PHYS 252	(3)	_____
General Physics Laboratory	PHYS 252L	(1)	_____
General Chemistry Laboratory	CHEM 121L	(1)	_____
Inorganic Chemistry & Chemical Equilibrium	CHEM 124	(3)	_____
Inorganic and Analytical Chemistry	CHEM 124L	(1)	_____
Computer Literacy	CSC 115(3)		_____

*w/PHYS 251, 251L instead of PHSC 105 or 106, 106L
