## Master of Health Administration

---

---

### About the Program

The LSUS Master of Health Administration (MHA) program prepares students for professional middle and upper management positions within healthcare institutions. Such institutions include hospitals and medical centers, medical group practices, pharmaceutical firms, medical technology corporations, health insurance companies, and long term care centers.

The MHA program consists of a series of 10 graduate courses covering a broad range of administrative topics. Coursework may be pursued on either a full-time or part-time basis, with completion of the MHA degree being possible within one calendar year. Qualified students may enroll in the MHA program during any semester—spring, summer, or fall—and productively pursue coursework, which is offered exclusively during the evenings from 6-9 p.m.

The MHA program is accredited by AACSB International—the Association to Advance Collegiate Schools of Business—the leading accreditation agency for business schools in the United States.

### Admission Requirements

To be considered for admission into the MHA program, applicants must:

- Complete and submit the LSUS Graduate Application for Admission (available online at [www.lsus.edu](http://www.lsus.edu)), forwarding it to the Office of Admissions and Records;
- Submit copies of all transcripts of prior undergraduate and graduate coursework to the Office of Admissions and Records;
- Submit a Graduate Management Admission Test (GMAT) score, taken within eight years of application, to the MHA Program Director (visit [www.gmac.com](http://www.gmac.com) for GMAT information); and
- Exhibit promise for success in graduate work through achievement of a composite score of 1000 or higher based on the following formula: Overall undergraduate GPA x 200 + GMAT score
  - Minimum GPA: 2.5/4.0. Minimum GMAT score: 450.

## Admission Deadlines

All materials for admission must be received by the following dates:

Spring Admission: November 30  
Summer Admission: April 30  
Fall Admission: June 30
