

# OMBS Meals

We have just added this service to make your experience at the OMBS more enjoyable and productive. The kitchen facility in Nuthatch is always available for the use of your group at no charge. A charcoal grill (provide your own charcoal and lighter) is available for use outside and there are several nice picnic tables available for meals outside. The meal service is offered for your convenience in the event that you would rather spend your available time doing research, exploring, or teaching, rather than preparing a meal.

The meal reservation form gives more details. We might not be prepared to provide specialized dietary needs without advanced notice.

**Breakfast -- \$3.00 per person**

**Lunch -- \$5.00 per person**

**Dinner -- \$7.00 per person**

**NOTE: Meal costs are not refundable.**
