**Proposal to Abolish the Student Organizational Council.**

**Whereas,**

The SOC does not need to exist as a separate entity in order for its goals to be accomplished.

**Whereas,**

Decisions made in relation to student organizations should be reflective of the overall student populations.

**Whereas,**

SOC representatives only represent their respective organizations.

**Whereas,**

The Student Government Association is the body at LSUS that represents the entire student population.

**Let it be resolved that,**

The SOC should be abolished.

**Let it be further resolved that,**

A SGA committee be formed to accomplish goals and fulfill necessary responsibilities relative to student organizations.
