exchanges within the University Center and are also given the recommendation to place only their student email address in their advertisement so to advert any unwanted personal communication.

In order to, limit the amount of stagnation, all flyers and/or papers placed on the buy/sell/trade board shall be left standing for a period of two weeks and then taken down. Any such student wishing to extend their placement period shall consult an SGA Senator on the Student Affairs Committee. All advertisements/flyers/papers/etc. shall also be subject to approval through the Student Affairs Committee and/or the University Center since the University Center grants the space for that board.

THEREFORE BE IT RESOLVED: That the Student Senate of Louisiana State University in Shreveport, in order to continue to benefit the students of Louisiana State University Shreveport, shall pass the above resolution. In doing so the board shall be granted and all planks shall be upheld to the highest extent.
