Be it known,

The Louisiana State University at Shreveport Student Government Association shall make public their support for allowing email forwarding on student email accounts.

Whereas,

The LSUS SGA is vested with addressing student body concerns; and,

Whereas,

The LSUS SGA Constitution makes clear the belief that the SGA has a right to “participate in a significant manner in the operations of our University”; and,

Whereas,

Many students have voiced concern that they are unable to forward their student email; and,

Whereas,

Students of LSUS look to the SGA for answers about changes in policy at the University; and,

Whereas,

After research it has become clear that security and legal liability concerns have been mitigated; and,

Whereas,

Email forwarding may provide alternate means to receive communication when the school email server is down.

THEREFORE BE IT RESOLVED:

That the Student Senate of Louisiana State University at Shreveport vote to show their support for re-establishing the ability of LSUS students to forward email from their school account to an external account of their choosing.
