THE STUDENT TESTING ASSISTANCE PROGRAM (STAP)

Be it known,

That students who are unable to purchase scantrons during regular bookstore hours should have the option of doing so at the UC office during their extended hours.

Whereas,

Many students at LSUS are non-traditional and are unable to buy scantrons during regular bookstore hours, and;

Whereas,

Students are required to have scantrons for many of their classes, and;

Whereas,

The Student Government Association is tasked with representing the concerns of the student body, and promoting the general welfare of all students, and;

Whereas,

There is substantial student concern during night classes about the availability of scantrons from a University source.

THEREFORE BE IT RESOLVED:

That the Student Senate of Louisiana State University at Shreveport vote to appropriate \$60.00 from the SGA general budget to seed a program to provide scantrons to students at the information desk in the UC offices.
