**Proposal to include the LSUS Cheerleaders to the Athletic Budget**

**Whereas,**

The LSUS Cheerleaders currently serve as a performance group supporting and generating a sense of pride in athletic sports at LSUS;

**Whereas,**

Funding for the cheerleaders is through private donations by members;

**Whereas,**

This financial deficit of funds has caused substantial setback. In particular, the uniforms are of substandard quality that has been reported to malfunction during performance and cause scarring. Safety is of great concern;

**Therefore,**

May it be resolved, by decision of the Senate and reflective of the Student Body, that the LSUS Cheerleaders be on and receive funding through the Athletic budget.
