

# TARGETED SERVICES FOR ALUMNI

---

*After graduation, alumni of LSU may continue to utilize some of the services available from the LSU Career Services office.*

- Online resume posting and job search through the LSU Career Pilot online career networking system
- On-campus interviews with employer approval
- Resume review - drop off, email, or appointment
- Review of other professional documents such as cover letters, reference pages, etc. - drop off, email, or appointment
- Use of Career Services Computer Lab and Resource Library for career networking efforts
- Career Workshops, Career Fairs, other career events
- Appointment with Director of Career Services; limited to availability
- Professional image tips and techniques
- Practice interviews with employers; limited to availability
