TO THE NEW STUDENT

Your immunization record may be found in your family records or in a booklet that may have been written in by your doctor or public health clinic each time you received a vaccination. Please keep in mind that immunization records are maintained for a variable number of years and then usually only by the medical provider who administered the vaccines. As a last resort, and if you are a graduating senior, school personnel may be able to locate immunization records in your cumulative or health folder before you graduate. After you graduate, records are sent to storage and may not be accessible. Shot records or reasonably authentic copies of records (a baby book or school health record) which indicate specific information such as your name, date of birth and the dates of the immunizations should be acceptable documentation of the immunizations you received. These records should be taken to your doctor or local public health clinic for a possible update of your immunization status. A visit to your doctor or public health clinic will be needed to have your Proof of Compliance form signed and/or to interpret your old records in view of the changes in health care standards.

TO THE PHYSICIAN OR OTHER MEDICAL PROVIDER

The following guidance is presented for the purpose of implementing the requirements of Louisiana R.S. 17:170 and meeting the established recommendations for control of vaccine preventable diseases as recommended by the American Academy of Pediatrics (AAP), the Advisory Committee on Immunization Practices to the United States Public Health Service (ACIP) and the American College Health Association (ACHA).

REQUIREMENTS: Two doses of measles vaccine, at least one dose each of rubella and mumps vaccine and one tetanus diphtheria booster.

MEASLES REQUIREMENT: Two doses of live vaccine given on or after first birthday, in 1968 or later, and without Immune Globulin. A second dose of measles vaccine must meet this same requirement but should not have been given within 30 days of the first dose. A history of physician diagnosed measles is acceptable for establishing immunity but should be accepted with caution unless you were the diagnosing physician.

TETANUS-DIPHTHERIA REQUIREMENT: A booster dose of vaccine given within the past ten years. Students can be considered to have completed a primary series earlier in life unless stated otherwise.

IMPORTANT NOTE: In most cases, student compliance will require a second dose of measles vaccine (preferably as MMR) and a dose of tetanus-diphtheria (TD, Adult Type). In cases where no records can be located, or especially when immunization in the past is doubtful, two doses of MMR separated by a minimum of 30 days may be indicated. Evidence of vaccination or immunity against measles, rubella, mumps, and tetanus and diphtheria can be established by either reviewing a previous written record of vaccination or administering vaccine now. Serologic testing is acceptable evidence of immunity but should not be routinely performed unless specifically requested by the patient and if testing is appropriate or available. Immunization is preferable to serologic testing because of the relative costs and time. In all instances when vaccine administration is considered, MMR (measles, mumps and rubella vaccine, live) and tetanus-diphtheria toxoid (TD, Adult Type) are the products of choice for use in adults unless a specific contraindication is present.
Entering students are considered automatically for scholarships. Credentials required are:

**First-Time Freshmen**: LSUS Application for Admission; official ACT or SAT Score Report *; and, official High School transcript (If you graduated from a Louisiana High School in 2004 or later, LSUS will request your transcript electronically – it will not be necessary for you to request one).

- **Fall Competitive Scholarship Deadline**: January 31 (Requires ACT ≥ 20 or SAT ≥ 950 AND High School GPA ≥ 2.50)
- **Fall Guaranteed Scholarship Deadline**: August 1 (Requires ACT ≥ 24 or SAT ≥ 1110 AND High School GPA ≥ 3.00)

- **Transfer Scholarship Deadline**: January 31 (Requires ≥ 3.00 Overall GPA)

* An official ACT/SAT Score Report is one that is submitted directly to LSU Shreveport by the testing agency (ACT code 1593; SAT code 6355).

**FINANCIAL AID**

Financial Aid Office (318) 797-5363 FAFSA LSUS code 002013 www.lsus.edu/finaid

Federal financial aid must be applied for each school year. You should start the process 90 days before the beginning of the semester for which you are applying for aid.

**Application Process:**

Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov or request a form from the Financial Aid Office and return it directly to the U.S. Department of Education Central Processing Service (CPS).

Before you can be awarded any federal financial aid all required academic transcripts must be received by the Admissions and Records Office. After your FAFSA has been processed by the CPS, you will receive a Student Aid Report (SAR). You should review your SAR carefully to ensure that it is accurate. If it requires correction, take the appropriate action. The Financial Aid Office must receive your electronic SAR by March 1 for summer school, June 1 for the fall or October 1 for the spring for priority consideration.

When all required materials have been received by the LSU Financial Aid Office, your file will be reviewed and your aid will be awarded if you meet all eligibility standards. You will receive an award letter describing the financial aid awards that LSUS is offering or a denial letter if you do not qualify. The financial aid process is not complete until the Financial Aid Office receives a copy of the award letter signed by you with a notation indicating whether you are accepting or declining each form of financial aid.

If your financial aid file is not complete on or before the priority deadlines listed above, you should plan to have money from other sources available to pay tuition and fees by the fee payment deadline because the University cannot guarantee that your aid will be ready at the beginning of the semester. Applications are processed in the order in which they are received.
