EDUCATION REDESIGNED

LSU SHREVEPORT
CHANCELLOR’S REPORT
2009-2010
Message from the Chancellor

Higher education in Louisiana continues to face damaging budget cuts. Budget information released by the State of Louisiana Board of Regents in its GRAD Act Report revealed that LSU Shreveport from 2009-2011 has experienced a $6,970,103 budget reduction and is now the lowest funded institution in the state at $3,439 per full time equivalent student (FTE). The impact of this reduction can be felt across the entire campus.

We have been very proactive in responding to this financial crisis. For example, four academic colleges have been reduced to two, faculty and staff vacant positions have been eliminated, travel frozen and supply, equipment and operating budgets cut.

However, I can assure you, in spite of these difficulties that the faculty and staff are determined to ensure every student receives a quality education, with learning and student success as our primary concern. Our faculty continues to perform in a professional manner. For example, the Department of Education received high marks for their alternate certification program by the Board of Regents. Chemistry Professor Elahe Mahdavian recently received a $1.3M grant in cancer research from the National Science Foundation. Our professors continue to be published in academic journals and have presented papers throughout the United States and Europe.

Likewise, our students continue to redefine themselves. Students in the Leadership Education and Development (LEAD) program in the School of Business participated in conferences at the United States Naval Academy and the United States Air Force Academy. The LSU Shreveport Debate Team has taken first place in competitions across the southern region. Our athletic program, funded almost entirely by our students, continues to excel. Both men’s and women’s basketball teams and our baseball team competed at the national level during the post season.

While we continue to face budget challenges from the state, LSU Shreveport will remain a viable part of the Shreveport/Bossier City metro area and the Ark-La-Tex. Our students, professors, and faculty will continue to flourish and contribute to the economic development of northwest Louisiana.

We are staying true to our mission of providing quality higher education and service for our citizens, businesses and industries in our service area. I hope to see you on campus soon. We thank you for your continued support as the university continues to grow in our community.

Sincerely,
Vincent J. Marsala
The mission of the LSUS Foundation is to foster private financial support for Louisiana State University Shreveport, manage investments, and to serve as trustee for funds and other contributed assets for the benefit of the University. The LSUS Foundation promotes philanthropic support for LSUS programs and areas of study while recognizing the all-important growth and success of economic development in Northwest Louisiana.
Message from the Incoming Foundation President

A thank you to LSUS for giving me the opportunity to give back to the university that did so much for me. I am thankful to the generation of Shreveport-Bossier community leaders who worked so hard to establish a four-year university in our community. It is our turn to continue to support a vibrant university for the generation behind us.

As we face difficulties in higher education, we must unite behind the goal of increasing access to higher education for the people of Shreveport-Bossier and northwest Louisiana. LSUS provides a foundation for our knowledge economy and creates opportunity to attain a university degree for many who are place bound – people who need to live in the Shreveport-Bossier area to work while advancing their education.

Change is hard because of fear of the unknown. But what we do know about LSUS provides hope for the future. LSUS is a higher education institution that has majored in excellence in undergraduate education. The school has helped shape many of Shreveport-Bossier’s education, business, and government leaders. Every sector of the economy from healthcare to cyberspace to oil and gas depend on graduates from LSUS.

We must join together in support of LSUS. This can’t be just support in our private thoughts. As our state faces a most pivotal decision point, we must lend our vocal support to LSUS. We will be calling on you to “pay back” by turning your private thoughts into vocal public support.

Dr. Phillip Rozeman
2010-2012 President
LSUS Foundation

Message from the Outgoing Foundation President

Looking back over the last two years as your LSUS Foundation President, I am struck by how fortunate we are to have our new President, Phillip Rozeman, in place! Facing change, cuts, realignments, and many other obstacles, we need someone with a passion for higher education, someone that has lived what the message should be, to lead us as we try to communicate what we, as the Foundation, perceive to be our mission going forward. I do not know another person in the Shreveport-Bossier area that could bring all that forward so clearly. I have tried to communicate to you over the last two years what I see as a business professional in the Shreveport area, what impact our only public four-year university has and can have on our community. Phillip has lived it!

When you look at his path as an LSUS graduate, a physician, and a tireless advocate for education in our state, you find yourself wondering how he finds the time. His present positions – Chairman of the Greater Shreveport Chamber of Commerce Higher Education Taskforce, a founder of the Alliance for Education, a founder of the Shreveport Bossier Imperative for Higher Education, your LSUS Foundation President, and many others – put him in a unique position to make a difference for education in Louisiana. To quote an old saying: “If you want something done well, find the busiest person you can, and they will get it done.” I think we have that person in Phillip.

I, for one, will support him both with my time and resources every way I can to help him succeed. It will not be easy, there is a lot of work to be done, but we have the right leader at the right time leading us. Won’t you join us?

Robert W. FitzGerald
Immediate Past President
LSUS Foundation
Board of Directors 2009-10

* Donor funds for partially-funded endowments equal $175,798
** Fully funded by donor and awaiting Board of Regents approval/matching funds

Total Contributions from Donors: $5,509,968
Total Contributions from Regents: $3,960,000
Contributions to Partially-Funded Endowments: $175,798
Grand Total: $9,645,766
*The above chart reflects the funds given by donors and matched by the Board of Regents from fiscal year 2000-01 to the present. Total contributions for the Board of Regents program, however, include endowments that have been established at LSUS since the program’s inception in 1989. The LSUS Foundation has also received $175,798 in private funds which have been restricted to future professorships or first generation scholarships in the Board of Regents respective programs.

**Due to the state of the economy over the past 2 years, the Board of Regents only granted five matching funds requests (excluding the first generation scholarship) to each college and university in Louisiana in 2008-09 and two matching funds requests (excluding the first generation scholarship) to each college and university in Louisiana in 2009-10.
Scholarships provide the opportunity to change the lives of students who might not have the resources to attend college. Creating a scholarship is a unique way to connect students to the community through a donor’s generosity. Endowed scholarships are an investment in both current and future generations of students. A minimum contribution of $10,000 perpetually funds an endowed scholarship. Annual scholarships are funded each year by the donor and are renewed at their discretion.

The eleventh annual RiverBend Revue was held September 9, 2009 at the Horseshoe Riverdome honoring Miriam Sklar. Over 400 people came to toast Miriam for all her contributions to not only LSU Shreveport but to the community as well. Miriam was the perfect combination of glitz and glamour backed by commitment and contribution.

RiverBend Revue serves as the annual fundraising event to recognize all donors who have contributed $10,000 or more to the Foundation. The event celebrates the establishment of a $10,000 endowed scholarship in the name of the honoree and also provides fundraising opportunities for the LSUS Alumni Association and LSUS Foundation.

Sadly, Miriam passed away in early 2010. LSU Shreveport is grateful we were able to honor Miriam and all she has done to contribute to the Shreveport-Bossier community and the University.
Past RiverBend Revue Honorees

Pilots of the Year
1999 - Vincent J. Marsala
2000 - James K. Elrod
2001 - Norman and Peggy Kinsey
2002 - Joe and Abby Averett
2003 - Virginia K. Shehee
2004 - George A. Khoury, Jr.
2005 - Leonard and Mary Anne Selber
2006 - Fred and Sybil Patten
2007 - Bobbie Cates Hicks
2008 - Woody and Anne Wilson
2009 - Miriam Sklar
2010 - Dr. Phillip A. Rozeman,
        John M. Good, Jr. and
        Michael H. Woods
The Dr. Lacy and Edie Williams Circle of Excellence Plaza, dedicated in 2008, continues to be a favorite location for students, faculty, staff and guests to relax and enjoy the fresh air. Thanks to the generosity of the LSUS Foundation, wireless internet service is available within the Plaza, a feature enjoyed by all visitors. Following the death of Major Ronald Wayne Culver, Jr., ARNG (BS ’89) in Iraq on May 30, 2010, the LSUS Alumni Association and LSUS Foundation sponsored a new Veterans Memorial Bench dedicated to LSUS alumni who have lost their lives in the service of the United States of America. Faculty and staff donated a plaque in Major Culver’s memory. Commemorative bricks and benches may be purchased at any time by calling 318-797-5190 or accessing the secure online form at www.lsus.edu/alumni.
The LSU Shreveport Alumni Association

The 12th Annual LSUS Alumni Capital One Pilots Golf Classic, held May 7, 2010 at Olde Oaks Golf Club in Haughton, La., raised almost $18,500 for scholarships and programs that benefit LSUS. The tournament has contributed more than $175,000 to LSUS in its twelve-year history. The success of the Pilots Classic rests on the university’s faithful business friends who sponsor teams, provide food and beverages, and donate prizes. Alumni Board members and volunteers, as well as staff and faculty, provide the manpower that makes the tournament run smoothly.

The 2nd Annual “Bid ‘Em High” Silent Auction at RiverBend Revue continued the Alumni Association’s success by offering another group of quality items including trips to Colorado, Kauai and the Gulf Coast, designer jewelry, specialty dinners, sports memorabilia, season tickets and limited-edition art. High bidders at the event generated more than $19,000 for LSUS scholarships, programs, projects and services. The auction has raised $33,500 in its brief, two-year history. Young alumni volunteers managed two new “games of skill.”

Race to Win: The Next Lap

The Race To Win Scholarship Campaign, begun in 2008-09, continued through 2009-10 with a theme of Race To Win: The Next Lap. The three-year campaign seeks to create a $3 million endowed scholarship fund designed to attract 1,000 new top students to the university by its 50th Anniversary in 2017.

In 2008 The Noel Foundation committed a $1,000,000 endowment, thereby establishing the Ruth Herring Noel Endowed Scholarship for Top Scholars. Alumni contributed 17.5% of all annual campaign gifts for 2009-10. Race To Win: Crossing The Finish Line will continue through 2010-11 with the added feature of a “phonathon” to alumni, spearheaded by members of LSUS Connections, a new student alumni organization dedicated to serving LSUS and providing opportunities for interaction between students and area alumni.

Donations may be made at any time by calling 318-797-5190 or accessing the secure online form at www.lsus.edu/annualcampaign.

LSU Shreveport extends a heartfelt “thank you” to our donors who have helped create four chairs, seven super professorships, 25 professorships and three first generation scholarships on our campus. We also would like to thank the Louisiana State Board of Regents for their continued support of LSU Shreveport.
