STUDENT SUCCESS CENTER

The Student Success Center is a comprehensive resource dedicated to helping students thrive academically and personally throughout their college journey. It fosters a welcoming and supportive environment where students can build the skills and confidence needed to succeed in college and beyond. As part of its commitment to student development, the center offers a variety of First-Year Experience (FYE) programs, including US@LSUS, the College Student Inventory, First-Year Convocation, and First-Year Seminar.

Free resources the Student Success Center offers include:

-Academic coaching	-Clarify academic and career direction	-Understand degree requirements
-Peer and professional tutoring	-Prepare resume	-Receive personalized degree planning
-Study groups	-Obtain hands-on experience	-Register for classes
-Writing consultations	-Ace full-time job search	-Declare a major
	-Get ready for an interview	

COLLABORATORY

The LSUS Collaboratory is a state-of-the-art, immersive-learning space where students, faculty and industry partners can come together to discuss, research and create solutions to everyday problems utilizing cutting-edge technology. Students will be able to participate in creative, hands-on technology learning experiences with both their faculty mentors and with industry partners, giving them the competitive edge upon entering the job market.

OFFICE OF COMMUNITY ENGAGEMENT

The mission of the LSUS Office of Community Engagement is to educate a broad population of graduate and undergraduate students by promoting critical thought and student development through creative techniques and active learning.

Facilities & RESOURCES

PILOT EDUCATIONAL CENTER

The Pilot Educational Center is designed to encourage peer collaboration for education-related coursework.

Free resources include:

- Praxis lab and study materials
- Children and young adult literature
- 75" mounted computer for presentations and meeting
- Die cut, Silhouette, and Cricut machines

IDEA SPACE

The LSUS Idea Space is designed around the Stanford Design-Thinking model where faculty teach students how to systematically problem-solve through creative thinking in a minimally technological environment. One of the critical key competencies employers are looking for in graduates in the digital economy is for students to be creative in their problem-solving. Through this center and the corresponding courses, LSUS is teaching students how to be critical-thinkers and how to problem-solve.

HUMAN PERFORMANCE LAB

The Human Performance Lab consists of three different rooms — the Exercise Science Lab, Motion Analysis Lab, and Motor Behavior Lab — for students to attain hands-on experience in the most cutting-edge human performance research lab in the country. Lab involvement enables students to earn nationally accredited certifications, including:

- Tactical Strength and Conditioning Coach (NSCA)
- Certified Exercise Physiologist (ACSM)
- Certified Strength and Conditioning Coach (NSCA)

COUNSELING SERVICES

The mission of LSUS Counseling Services is to serve LSU Shreveport's campus community by providing mental health services and wellness support services that assist students in achieving their academic and life goals while enhancing their personal growth and wellbeing. Counseling Services provides everything from personal counseling, support groups, anxiety reduction services and mental health resources to personal development workshops, meditation and classroom presentations.

PILOTS POINTE APARTMENTS

Pilots Pointe is here to provide you with everything you need for a great college experience. Our on-site team strives to offer you nothing but the best when it comes to service. That's why we're intentional about creating a relationship with every resident. We know how challenging college can be, so we do everything possible to ease the stress. With our convenient location, online resident portal, and 24/7 emergency maintenance, you'll never have to worry.

PILOT DINING DOLLARS

Pilot Dining Dollars are a convenient, tax-free way to pay for meals and snacks on campus. They can be paid for using financial aid or a credit card, and are available to all LSUS students. At the beginning of each semester, you choose how much to add to your account. You can spend your Pilot Dining Dollars at STACKS Coffee Shop, The Port Grille, and even on vending machines across campus. Any unused funds will carry over from Fall to Spring, and Spring to Summer—but they won't roll into the next Fall. Students can add, drop, or change their plan up until the 5th day of class. To get started, just log in to the Pilot Card Portal.
