Attention Students:

While the current environment creates uncertainty, **LSUS is committed to your progress** as we move forward into the next semester and school year. To make summer 2020 courses as accessible as possible while ensuring the continued safety of our students, faculty, and staff, LSUS has moved all summer classes to online/remote delivery. Course schedules are expected to return to face-to-face and online delivery for the Fall 2020 semester, pending public health advice and conditions.

Registration for the Summer 2020 and Fall 2020 semesters opens next week and students can begin registering according to the following schedule:

- **4/13** – Graduate students, Military Friendly Students, and Seniors (90 or more hours of credit)
