

## Parental Declaration of Non-Support 2023-2025

Name: \_\_\_\_\_ Student ID#: \_\_\_\_\_

Dear Parent:

Your son/daughter has informed us that you have decided not to complete the Parental Information section of the 2024-2025 Free Application for Federal Student Aid (FAFSA). Parent and student financial information is only used to determine the student's eligibility for financial aid. Your decision will affect your son/daughter's eligibility for grant, loan, and federal work-study programs.

Before signing this form please consider the following: Student aid, which includes federal Direct Student Loans, are borrowed and repaid by your son/daughter. Providing your information on the FAFSA does not obligate you to take a loan out on your son/daughter's behalf or pay their bill. A co-signer/co-borrower is not required. In addition, the confidentiality of financial aid records is protected by the Family Education Rights and Privacy Act (FERPA). We will not disclose any information submitted by a parent.

In order for the Financial Aid Office to make the determination to award a dependent student an Unsubsidized Direct Loan without parental information on the FAFSA, we must verify that the parent(s) has ended financial support of the student or refuses to complete the Parent Information section of the FAFSA.

What is financial support? Financial support includes payment by the parent of educational costs, but also providing other cash and non-cash support to the student such as room and/or board, medical and dental insurance, paying bills on the students behalf (i.e. credit card payments, cell phone, car payments), providing cash, food, shelter, clothing and transportation.
