

**Assistant/Associate Professor of Information Systems
9-Month Tenure-Track Position**

Louisiana State University Shreveport (LSUS) College of Business invites applications for a full-time tenure-track position at the rank of Assistant/Associate Professor of Information Systems starting August 2024. Applications will be considered from the areas of Information Systems, Operations Research, Operations Management, or related disciplines for individuals who meet our AACSB qualifications.

The selected candidate will report to the Chair of the Department of Management & Marketing. The selected candidate will be expected to teach face-to-face and online undergraduate courses and online graduate courses, produce scholarship at a level consistent with our AACSB Scholarly Academic standards, and actively engage in activities serving the department, college, university, community, and discipline.

Minimum Qualifications: Applicants must possess a doctoral degree in Information Systems, Operations Research, Operations Management, or related disciplines from an AACSB accredited university. ABD applicants with an expected completion date prior to August 2024 will be considered.

Preferred Qualifications: Preference will be given to candidates who have at least one year of experience teaching project management, process improvement, lean transformation, or related classes. Certifications in the field are a plus.

Application: To apply for this position, a CV, a cover letter, a statement of teaching philosophy, copies of all transcripts that include relevant course work, and contact details of three references should be sent electronically to businessfacultysearch@lsus.edu. Review of complete applications will begin immediately and will continue until the position is filled. Selected candidates for the interview will be asked to provide three letters of recommendation. LSUS is an Affirmative Action and Equal Opportunity Employer. To be considered, the email subject must be "Tenure Track Information Systems Faculty Application."

About LSUS: In addition to a collegial faculty, our University boasts a high percentage of faculty with terminal degrees. The LSUS College of Business currently enrolls over 700 undergraduate students pursuing majors in accounting, finance, general business, management, and marketing. Our graduate enrollment currently exceeds 5000 students in our accelerated online Master of Business Administration and Master of Health Administration programs.

About Shreveport: The Shreveport-Bossier City area offers an attractive quality of life, combining the conveniences of a big city with the warmth and hospitality of a smaller town. With a metropolitan population of more than 319,000, the Shreveport-Bossier City area offers a low cost of living, affordable housing, and many diverse dining and entertainment options. Exceptional outdoor recreation opportunities abound. Frequently called "A Sportsman's Paradise," the area's mild climate, various lakes and rivers, and beautiful parks create the perfect setting for jogging, bicycling, water skiing, jet skiing, hunting, and fishing.
