KEY FACTORS DRIVING PHASE 2

• Additional modification to state and parish guidelines for physical distancing
• Phase 1 completed for at least two weeks
• LSU Presidential directive

PERSONNEL INCLUDED IN PHASE 2

Deans and non-academic Directors have authority in Phase 2 to request and/or grant limited campus access for departmental or personal critical need. A unit log of authorized access must be maintained for campus safety and disinfection purposes.

Only employees approved by the appropriate Vice Chancellor may return to campus on a full-time basis.

GOVERNING DIRECTIVES FOR PHASE 2

• Work that can be done while telecommuting should still be done from home.
• Only approved personnel will be allowed back on campus.
• Campus will remain operational in a limited capacity.
• Some buildings, as well as all common areas/social gathering spots, remain closed.

• For those returning to campus, physical distancing required by state/parish/city orders must be followed and face coverings must be worn if physical distancing cannot be maintained, including in public spaces.
• In-person meetings remain limited to 10 people.

• If you’re sick, stay home and consult your healthcare provider.
• Anyone who believes they have been exposed to COVID-19 should see a health care provider and, if directed, shall self-quarantine for 14 days from the date of alleged exposure.

LSUS will initiate additional phases when stay-at-home orders are further modified and an LSU presidential directive is given.

Any concerns regarding returning to campus should be directed to your immediate supervisor.
RETURN TO CAMPUS PHASE 2

EFFECTIVE JUNE 8TH – JUNE 26TH 2020

No more than 50% critical personnel as necessary to accomplish the functions below while maintaining current CDC physical distancing protocols.

Campus is closed to the public-at-large; only essential personnel are allowed to access campus with permission from the appropriate supervisory authority.

GOALS

• Focus on a controlled scaling up of key activities and/or processes that will need to be in place on-campus when LSUS begins Phase 3

OVERVIEW

• Limited access to buildings; some buildings/offices remain closed
• Physical distancing maintained
• Gathering spots closed
• All university sponsored activities will be virtual
• Footprint on campus will still be limited
• Face coverings should be worn by employees when the job or circumstances places them within six feet of someone.

Office Environments

• Telework still mandatory for non-critical personnel
• Stagger workdays (MWF/TTH) for critical personnel in-office work
• No in-person all-staff meetings
• Meetings should continue remotely whenever possible via video or tele-conferencing and in-person meetings must adhere to physical distancing protocols and shall consist of no more than ten participants
• Limit sharing of office supplies and equipment such as computers, pens, staplers, etc.; if sharing is essential, all items should be disinfected before and after use by the employee/department

Academic Classrooms

• Online classes only
• Faculty continue to provide online instruction from place of residence

Research, Labs and Studios

• Library/Noel Collection open to working staff only
• Teaching labs remain closed
• Studio labs remain closed
• Most Research Labs remain closed

Special Facilities

Open to working staff only:
