

Title IX & Sexual Misconduct Training

Students

LSUS offers face-to-face and online training for students. Face-to-face training is provided to all incoming freshmen during orientation and is provided to classes, student organizations, or student groups upon request. Please contact the Title IX Coordinator at 318-797-5116 to schedule a face-to-face training session.

The University also provides online training through MOODLE and My Student Body. All students are automatically enrolled in the Title IX and Sexual Misconduct Training module on MOODLE that includes campus specific information about prevention efforts, reporting procedures, policies, and resources. Additionally, all LSUS students have access to [My Student Body](#), a training module aimed to reduce sexual violence, which is utilized by many college campuses.

1. Go to www.mystudentbody.com and enter your email address (e.g., doej01@lsus.edu) for your username and your birthdate for your password, in the following format: MMDDYYYY. Then, click "Log In". Follow the on-screen prompts to change your password and enter the required information. Click "Continue".
2. Navigate to the Home page, and select the Essentials Course by clicking "Start Now".
