

PREFACE

Operating a vehicle on the LSUS campus is a privilege granted by the institution. Serious or excessive violations can result in the loss of this privilege, as well as disciplinary action.

LSUS assumes no responsibility for the care or protection of any vehicle or its contents at any time.

All vehicles driven on the LSUS campus must comply with all State of Louisiana Motor Vehicle Laws and LSUS Rules and Regulations.

Rules and Regulations for parking and traffic safety on the LSUS campus are developed by the Parking and Traffic Safety Advisory Committee, comprised of faculty, staff, and students.

PARKING DECALS

There are two classifications of parking decals at LSUS, student and faculty/staff. All vehicles must display a current registration decal. New parking decals are required each fall semester. At least one of the following will be needed to obtain a student parking decal:

- A current paid receipt
- A current LSUS Identification card

You may register a vehicle owned, operated, and/or maintained by another person only if the owner, operator, or maintainer is not a student of LSUS. To obtain a faculty/staff permit, employees can contact the Office of Human Resources.

PARKING DECALS ARE NOT TRANSFERABLE. Decals should be removed from vehicles when validity expires or immediately upon change of ownership or disassociation from LSUS. A citation shall be issued to any vehicle displaying an altered decal.

DECAL DISPLAY

The official LSUS parking decal must be displayed on the OUTSIDE of the REAR WINDOW or BUMPER and to the lower right. Motorcycles must have a decal affixed to the right front fork.

Damaged decals should be returned to the LSUS Police and a replacement will be issued at no charge for students. A temporary tag can also be obtained from the LSUS Police lasting for a maximum of two weeks.
