Regulations of the Louisiana Board of Regents provide for tuition and mandatory fee refunds when formal withdrawal from the institution is approved within a designated period following registration.

The refund on any courses dropped will be calculated according to the official refund policy in effect when the course was dropped: 100% during the first five days of class; 40% for the 6th-13th day of class; 77% for the 14th day of class for summer and accelerated sessions. The university will first apply refunds to outstanding balances and then return any remaining balance to the student. No refunds will be made after the 13th day of class for fall and spring sessions.
